WEPA Group Workshop on Pig Wastewater Management in Asia

WEPA Group Workshop on Pig Wastewater Management in Asia

The WEPA organized a workshop on pig wastewater management in Asia on 21 February 2017 in Chiang Mai, Thailand. This workshop aimed to share knowledge on livestock wastewater management being conducted in participating countries and to discuss policy measures and problems, as well as water pollution caused by pig wastewater. It was also to follow-up last year's WEPA Action Program which has been implemented in Viet Nam since 2015.
